## **Footnotes for Minimum Vaccines Required for School Attendance**

\* The attendance of every child at every public and private school in the state and licensed day care center shall be conditioned upon the presentation before or on each child's first day of attendance of proof of either 1) full immunization, 2) the initiation of ....a schedule of immunization, or 3) a certificate of exemption as provided for in RCW28A.210.090.

### **EXEMPTIONS:**

MEDICAL exemption requires a physician's signature

PERSONAL/RELIGIOUS exemptions require the signature of a parent/guardian

<sup>1</sup>**DTaP:** Children who are past their 7th birthday should not be given DTP/DTaP vaccine. Such children can fulfill this requirement with 3 doses of DTP/DTaP/DT or Td or a combination of same.

<sup>2</sup>**IPV/OPV:** 4 doses if the same type of vaccine (IPV or OPV) is NOT used.

<sup>3</sup>**MMR:** Laboratory evidence of immunity to measles, mumps and rubella may be substituted for the MMR vaccine. Immunity to one of the three diseases does not mean there is immunity to the other two.

<sup>4</sup>**MMR:** A 2nd MMR is recommended and preferred but students can be considered fully immunized with 2 doses of measles-containing vaccine, both given after the first birthday and at least 28 days apart.

<sup>5</sup>**Hepatitis B:** Recommendation is for:

2<sup>nd</sup> dose to be given 1-3 months after 1<sup>st</sup>;

3<sup>rd</sup> dose to be given 2-6 months after 2<sup>nd</sup>, but

3<sup>rd</sup> dose should not be given less than 4 months after the 1<sup>st</sup>, and

3<sup>rd</sup> dose should not be given before 24 weeks of age.

<sup>6</sup> **NEW** - The General Recommendations on Immunizations (revised 2/8/02) read as follows: "ACIP (Advisory Committee on Immunization Practices) recommends that vaccine doses administered  $\leq$  4 days before the minimum interval or age be counted as valid."

Washington State Immunization Program is using 4-day "grace period" ONLY for the purposes of meeting minimum requirements, assessment of records and record reviews.
